DIGITAL APPENDIX 2

Lower pharyngeal jaws variation of the species included in the genus in *Herichthys*

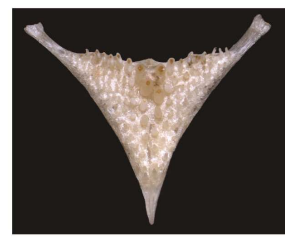

H. bartoni

H. labridens

H. pame

H. steindachneri

H. pantostictus

H. molango

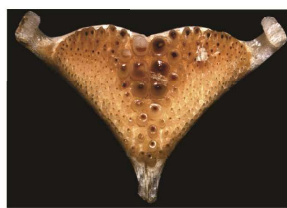

H. deppii

H. tepehua

H. cyanoguttatus

H. carpintis

H. tamasopoensis

H. minckleyi

DIGITAL APPENDIX 3

CVA and PCA for the sympatric and syntopic species *H. labridens* and *H. bartoni* for the shape of the lower pharyngeal jaw (up), and CVA and PCA for the sympatric species *H. pame*, *H. steindachneri* and *H. tamasopoensis* for the shape of the lower pharyngeal jaw (down)
