The idea is to know about the experience you lived since this is the first time this course is thought in a virtual way which is something that one might consider very difficult due to its practical nature. The information you provide here will be anonymous and will be only used for this research.

I Part. Personal Information

1-Sex : __Female __Male ____Prefer not to say

2-Age:____

3-Place of residence:_____

II Part. General Aspects of the Course

- 1- Was this the first time you take this course? Yes
 No _____
- 2- How did you take the course? Virtual Face-to-Face
- 3- How would you describe the level of difficulty in this course?
 Very Difficult
 Difficult
 Moderate
 Easy
 Very Easy
- 4- Do you think that if the course wouldn't have been virtual the level of difficulty would have been different? Yes
 No
- 5- Why? _____
- 6- Did the course fulfill your expectations? Yes No
- 7- Why? _____
- 8- Did you have any problems during this course due to its virtual nature? Yes No (go to question 10)
- 9- What problems did you have? _____

- 10- What did you enjoy the most about the course? _____ 11-
What was the part that you didn't like about the course? _____
- 12- What phrase best describes your case in this course?
 I learned a lot of new information and techniques that can be useful for my future job.
 I didn't learn much but at least the activities were interesting I might use them in the future.
 I didn't learn anything and I think the course was a waste of time.

III Part. About the teacher

1-The teacher's job in this course was:

Excellent

Very Good

Good

Poor

2-Do you think the teacher did a good job adapting the course to a virtual mode?

Yes No

Why? _____
